VNA Health Care expands its obstetrics and gynecology services with the addition of Dr. Denise Sousa. She joins a team of physicians and nurse practitioners providing complete family health care at VNA's 400 N. Highland Avenue location in Aurora.

Dr. Sousa holds a bachelor of science in integrated sciences from University of British Columbia, Vancouver, BC, and a doctor of medicine from Ross University School of Medicine in Dominica. She completed her obstetrics and gynecology residency at Henry Ford Hospital in Detroit, MI. Dr. Sousa was chief administrative resident and received the Minimally Invasive Surgical Excellence Award during her residency. She is board eligible.

VNA Health Care operates 10 clinics in suburban Chicago and serves over 72,000 people a year. VNA is nationally ranked as a top performing health center as a result of patient outcomes such as prenatal care, adolescent weight screening and counseling, vascular disease treatment, blood pressure control, healthy birthweights, and asthma care. VNA's combination of convenience (by appointment or walk-in), patient-centered technology and expert care delivered with respect and compassion have led to these results. VNA is accredited by The Joint Commission and certified as a Primary Care Medical Home.
