

**FOR IMMEDIATE RELEASE**

April 23, 2019

Contact: Chrissie Howorth – V.P. of Philanthropy and Communications

VNA Health Care is pleased to announce the opening of a second Health Center in Carol Stream, IL. VNA Health Center - Mona Kea is located at 397 S. Schmale Rd, Carol Stream, IL 60188. Primary Care services at this location include Pediatrics (Wednesday 8 a.m. to 8 p.m.) and Family Practice (Monday and Friday 8 a.m. to 4 p.m.) in addition to case management and care coordination. Primary care is delivered by VNA's expert team of Physicians and Nurse Practitioners and includes diagnosis and treatment of acute and chronic illnesses, disease prevention and management, health promotion and patient education. Benefits Assistance is also available.

In addition to exam rooms and a lab, this new location features a demonstration wellness kitchen where free wellness classes will be available to both VNA patients and community members. More information on upcoming classes can be found on the calendar located on the VNA website: [www.vnahealth.com](http://www.vnahealth.com)

VNA continues to welcome new patients at all locations by appointment and families and individuals may walk in for care without an appointment. Medicaid, Medicare, Private insurance and Uninsured accepted.

"We are delighted to be able to offer the same great primary care services at both of our Carol Stream locations. I think that our patients and members of the community will also really benefit from being able to take advantage of our Wellness programming. This programming is a great resource for preventing and managing chronic diseases such as heart disease and diabetes," said Claire Dobbins, Chief Clinical Officer.

*VNA Health Care operates 14 clinics in suburban Chicago and serves over 72,000 people a year. VNA is nationally ranked as a top performing health center as a result of patient outcomes such as prenatal care, adolescent weight screening and counseling, vascular disease treatment, blood pressure control, healthy birth weights, and asthma care. VNA's combination of convenience (by appointment or walk-in), patient-centered technology and expert care delivered with respect and compassion have led to these results. VNA is accredited by The Joint Commission and certified as a Primary Care Medical Home. # # #*
